**An elegant and flexible design**

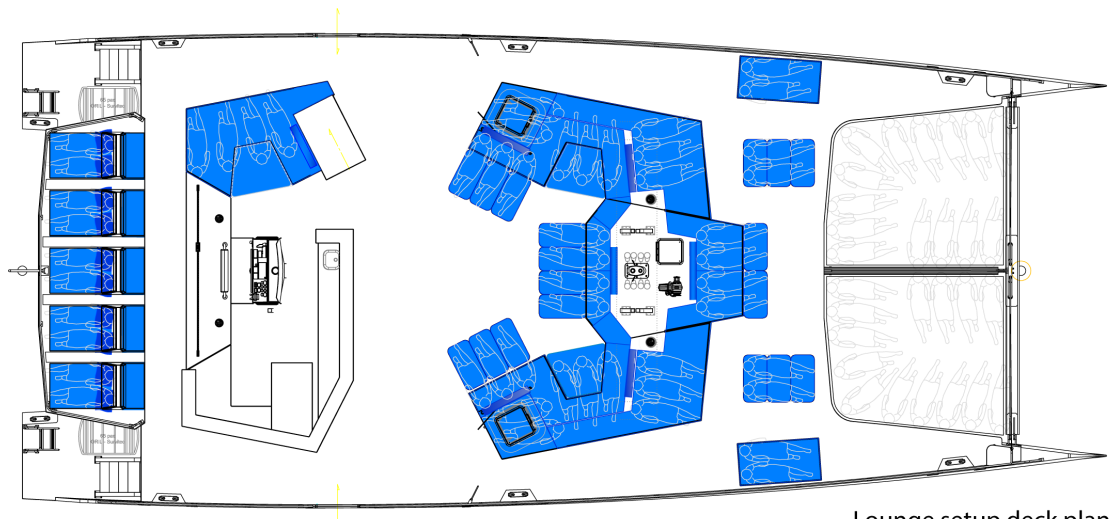

This "single deck" has all the assets common to the range, with the originality of being extremely modular. We added to the traditional passenger boat operation the opportunity to welcome 80 people for a seated diner and the equipments for a "lounge" exploitation.

On top of that, the Day 1<sup>®</sup> 75.11 has the following functionalities :

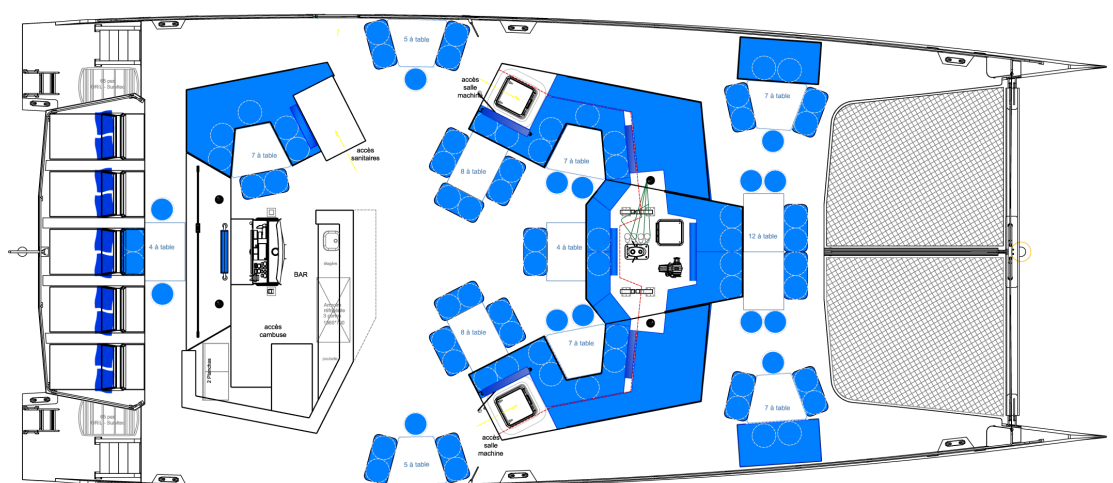

- A large bimini with a rigid center and canvas wings
- A friendly bar with a linear of 9.0 meters
- The equipments for restaurant exploitation: plancha, all kitchen appliances, etc...
- Outstanding sunbath surfaces / « beds », including the aft platform
- An elegant deck entirely covered with synthetic teak
- Compliance to the french 'passenger ship' regulations.
